1. SITUATION/BACKGROUND

- 1.1** At the November 2019 CTMUHB Board meeting, Members received a report following a joint review undertaken by Wales Audit Office (now Audit Wales) and Healthcare Inspectorate Wales of quality governance arrangements at Cwm Taf Morgannwg University Health Board (CTMUHB).

- 1.2** The publication of the report highlighted a number of significant findings for CTMUHB to which the Health Board provided a comprehensive response to the recommendations which was received and approved at the subsequent Board meeting in January 2020.
- 1.3** Progress against these recommendations and the management actions in response, has been included in the wider monitoring by the Board and Welsh Government in the context of enhanced performance arrangements associated with CTMUHB being in Special Measures for maternity services and Targeted Intervention for quality & governance, leadership & culture and trust & confidence.
- 1.4** A year on from the original Joint Review Report, Audit Wales and Healthcare Inspectorate Wales undertook a follow-up review of the Health Board to assess progress against the original 14 recommendations made.
- 1.5** The findings of the follow-up review were received by the Board at the meeting on 27th May 2021.
