Scheme of Delegation

## **1. SITUATION/BACKGROUND**

### **1.1 Procurement Matters**

The following areas within the Scheme of Delegation (SoD) were reported to the Audit & Risk Committee on 7 December 2021 where members of the Committee had the opportunity to ask questions or request further information:

- a) Engagement off contract of non-medical staff not paid via the payroll. The Director of People and the Head of Procurement would need to confirm agreement prior to any commitment.
- b) Waiver of competitive tenders, as authorised by the Director of Finance and Procurement.
- c) Contracts requiring Ministerial approval (over £1m)

This report is brought to the Board's attention for noting and approval where required.

This report provides details of any such transactions within the period 01.09.21 to 31.10.21.

### **1.2 Purchase to Pay**

In order to comply with the Public Sector Payment Policy, 95% of the number of non-NHS invoices must be paid within 30 days. This report provides an update on the Prompt Payment compliance for 2021-22.

### **1.3 Scheme of Delegation and Financial Control Procedures**

This report provides update to Scheme of Delegations (SoDs) or Financial Control Procedures (FCPs) are reported.

Financial Control Procedures (FCPs) should be reviewed periodically (at least every 3 years) to ensure they are up to date.

## **2. SPECIFIC MATTERS FOR CONSIDERATION BY THIS MEETING (ASSESSMENT)**

### **2.1 Procurement Matters**

- a) Engagement off contract of non-medical staff not paid via the payroll**

There were no engagements or contracts entered into during the period 01.09.21 to 31.10.21.

**b) Waiver of competitive tenders, as authorised by the Director of Finance.**

Standing Financial Instructions require 4 competitive tenders for supplies of goods and services over £25,000 up to the prevailing OJEU threshold and 5 competitive tenders above OJEU Purchases over £1m require Ministerial approval.

The Scheme of Delegation allows the Director of Finance and Procurement to approve a waiver of the requirement for competitive tenders up to OJEU or other exceptions to tender rules. **Table A** below provides details of such actions during the period 01.09.21 to 31.10.21

**Table A – Single Tender Actions 01.09.21 to 31.10.21**

1513	Capital	Capital Planning	Nurse Call System	Carecom Systems	£51,116	b	28/10/2021

#### Reasons for approval:

a) service/work is follow-up, supplier has already undertaken initial work in same area (work undertaken via open competition)

b) Compatibility issue

c) Genuine 1 provider

d) need to retain particular contractor for real business continuity issues not preferences

#### STA1509 – Glucose Strips Abbott Laboratories - £237,488

Abbott Laboratories is the incumbent supplier for the supply of Glucose/Ketone strips and meters, and were until recently a supplier on a National Framework for the Supply of Glucose/Ketones meters and strips. They have withdrawn from ALL national framework agreements citing dislike of direct awards which has resulted in an immediate requirement for the HB to contract an interim 12 month agreement under a Single Tender Action with Abbott Laboratories, whilst further work is undertaken with the PoCT service and NWSSP Procurement to source an alternative product and supplier.

A Voluntary Ex ante Transparency (VEAT) notice was issued on 25/10/21 notifying the market of awarding a 12 month contract without the call for competition, this was to mitigate any procurement challenge from competitors, no response was received.

STA1511 – Nurse Call System with Wandsworth Group - £56,331

STA1513 – Nurse Call System with Carecom - £51,116

Both STA's relate to Nurse call systems however Wandsworth relates to RGH and Carecom relates to PoW. Due to the complexities of the infrastructure at both sites there is currently no opportunity to align systems to a single supplier.

**d) Contracts requiring Ministerial approval (over £1m)**

**2.2 Purchase to Pay (P2P)**

At month 7, for the first time this financial year, the Health Board has reached its 95% target of paying non-NHS invoices within 30 days, achieving 95.1% (value 93.7%). This compares to 93.2% (value 93.5%) to month 7 in 2020-21. The figure has been improving consistently since Q1, as a result the achievement of the target to year end now looks more likely.

	0 - 30 Days		Total		%	
	Number	Value	Number	Value	Number	Value
Apr-21	16,593	45,374,647	18,650	50,046,234	89.0%	90.7%
May-21	17,534	32,541,376	18,718	34,390,498	93.7%	94.6%
Jun-21	19,614	38,406,424	20,587	43,616,332	95.3%	88.1%
July-21	24,769	36,902,772	25,761	39,342,840	96.1%	93.8%
Aug-21	13,439	37,132,269	14,266	38,225,615	94.2%	97.1%
Sep-21	24,927	39,286,581	25,419	40,581,589	98.1	96.8
Oct-21	19,669	29,671,164	20,148	30,635,926	97.6	96.9
<b>YTD</b>	<b>136,466</b>	<b>259,255,123</b>	<b>143,468</b>	<b>276,778,583</b>	<b>95.1%</b>	<b>93.7%</b>

The main reason for the underachievement of the target at the beginning of the financial year was largely due to Nurse Agency invoices being paid outside of the 30 days. This has been identified as due to reduced resource in the department from the beginning of April. It is anticipated a new

system for the payment of Nurse Agency invoices will be in place from late autumn, which should result in improved compliance.

The NHS invoice position shows that 79.2% (number) and 72.0% (value) of invoices were paid within 30 days to month 7 2021-22. (64.1% (number) and 64.5% (value) for the same period in 2020-21).

### **Scheme of Delegation and Financial Control Procedures**

There are a number of requests for changes to the Scheme of Delegation highlighted in Appendix A. These relate to the following:

- Changes to the approval limits and delegated authority for the compensation payments made under legal obligation. This is to make the process more manageable and ensure decisions are being taken at the appropriate level.
- Change to the delegated authority for Final Pay Controls under £100,000 from Deputy Director of Finance to Group/Operations Director for ILGs or Relevant Director. This is to reflect the expenditure hitting the area in which the Final Pay Control relates.
