Declarations of Interest

1. SITUATION/BACKGROUND

- 1.1 In accordance with the requirements of the Health Board's Standing Orders and Standards of behaviour Framework Policy, a report is required to be received by the Audit & Risk Committee as a standing agenda item which will detail the Declarations of Interest, Gifts,

Hospitality and Sponsorship etc. activities approved within each Health Board. A similar report will also be considered by the Management Board.

2. SPECIFIC MATTERS FOR CONSIDERATION BY THIS MEETING (ASSESSMENT)

- 2.1 The form in the Standards of Behaviour Framework policy or online via SharePoint should be used to declare interests and/or seek approval for receiving hospitality/sponsorship/gifts and this should help or prevent the omission of crucial information that the authorising officer requires making an informed decision on approval or rejection. The authorised signatories should also be scrutinising the declarations prior to authorisation, in order to ensure the correct information is captured on the form before it is submitted to the Corporate Governance Team.
- 2.2 An email to all Board Members requesting the annual Declarations of Interest was sent on the 4 August 2020. All returns except 2 new members have been received. Board Members compliance – 92.59%.
- 2.3 A reminder email was issued to all Consultants and Workforce (Bands 8a and above) on the 9 February 2021, which is a total of 1,053 members of staff. To date we have received 522 returns equalling a 49.57% return rate. It should be noted that a further 160 returns have been received in this period, however, they are awaiting manager approval which is currently being followed up by the Corporate Governance Team. Further reminders are also being sent to those who are yet to complete and return.
- 2.4 The appendix to this report include the new entries received up to the 28 February 2021.
- 2.5 In summary there have been:
- 244 new declarations of interest received and entered on the Declarations of Interest Register.

There has been 1 new entry received for the Gifts, Hospitality and Sponsorship Register, however, further information is being sought and therefore it will be captured in the next report received by the Committee. It should also be noted that donations received by the public in response to the Covid-19 pandemic have not been captured as previously agreed by the Audit & Risk Committee and Board.
