

Audit & Risk Committee

Cycle of Business (1st January 2022 – 31st December 2022)

The Audit & Risk Committee should, on annual basis, receive a cycle of business which identifies the reports which will be regularly presented for consideration. The annual cycle is one of the key components in ensuring that the Audit & Risk Committee is effectively carrying out its role.

The Cycle of Business covers the period 1st January 2022 to 31st December 2022.

The Cycle of Business has been developed to help plan the management of Committee matters and facilitate the management of agendas and committee business.

The principal role of the Committee is set out in the Standing Orders – Schedule 3.1.

The Committee is an independent member committee of the Board and has no executive powers, other than those specifically delegated in the Terms of Reference. The Committee will function in accordance with the NHS Audit Committee Handbook.

The Committee will also consider issues in respect of the roles and responsibilities of organisations hosted by the CTMUHB on behalf of NHS Wales as appropriate. These are the Welsh Health Specialised Services Committee, the Emergency Ambulance Services Committee and the National Imaging Academy. The meeting will be split into two parts with Cwm Taf Morgannwg University Health Board business and hosted organisations business discussed and recorded separately.

The purpose of the Committee is to advise and assure the Board on whether effective arrangements are in place – through the design and operation of the Health Board system of risk and assurance – to support it in its decision taking and in discharging the accountabilities for securing the achievement of the Health Board objectives in accordance with the standards of good governance determined for the NHS in Wales.
