

Schedule 3.3

BOARD COMMITTEE ARRANGEMENTS

This Schedule forms part of, and shall have effect as if incorporated in the
University Health Board Standing Orders

DIGITAL & DATA COMMITTEE

TERMS OF REFERENCE & Operating Arrangements

Approved by Health Board July 2020.

INTRODUCTION

The Cwm Taf Morgannwg University Health Board (CTMUHB) Standing Orders provide that “The Board may and, where directed by the Welsh Government must, appoint Committees of the Board either to undertake specific functions on the Board’s behalf or to provide advice and assurance to the Board in the exercise of its functions. The Board’s commitment to openness and transparency in the conduct of all its business extends equally to the work carried out on its behalf by committees”.

In accordance with standing orders (and the CTMUHB scheme of delegation), the Board shall nominate a committee to be known as the **Digital & Data Committee**. The detailed terms of reference and operating arrangements set by the Board in respect of this committee are set out below.

CONSTITUTION AND PURPOSE

The purpose of the Committee is to advise and assure the Board in discharging its responsibilities with regard to the quality and integrity; safety, security and appropriate access and use of information & Data, to support health improvement and the provision of high quality healthcare.

The Committee will seek assurance on behalf of the Board in relation to the Health Board’s arrangements for appropriate and effective management and protection of information (including patient and personal information) in with legislative and regulatory responsibilities.

The Committee will also provide advice and assurance to the Board in relation to the direction and delivery of the Digital and Data Strategies to drive continuous improvement and support digitally enabled health care to achieve the objectives of the Health Board’s Integrated Medium Term Plan (IMTP).

SCOPE AND DUTIES

The Committee will, in respect of its provision of advice and assurance:

- oversees the development of the Health Board’s strategies and plans for maintaining the trust of patients and public through its arrangements for handling and using information, including personal information, safely and securely, consistent with the Board’s overall strategic direction and any requirements and standards set for NHS bodies in Wales

- oversees the direction and delivery of the Health Board’s Information Communication Technology (ICT), Data and Information Governance Strategies to drive change and transformation in line with the Health Board’s Integrated Medium Term Plan (IMTP) that will support modernisation through the use of information, data and digital technology
- within the remit of the Committee it considers implications arising from the development of the Health Board’s corporate strategies and plans or those of its stakeholders and partners
- within the remit of the Committee it considers the implications for the Health Board of internal and external reviews and reports
- oversees the development and implementation of a culture and process for data protection by design and default (including Privacy Impact Assessments) in line with legislation (e.g. General Data Protection Regulation)
- seek assurance through monitoring the Cyber Security Action plan
- review risks from the Organisational Risk Register that are assigned to the Committee by the Board and advise the Board on the appropriateness of the scoring and mitigating actions in place.
- completes an annual self-assessment exercise in respect of the effectiveness of the Committee.
- The Committee will, in respect of its assurance role, seek assurances that strategies and arrangements are appropriately designed and operating effectively to ensure the safety, security, integrity and effective use of information to support the delivery of high quality, safe healthcare across the whole of the Health Board’s activities.

To achieve this, the Committee’s programme of work will be designed to ensure that:

- there is a clear, consistent strategic direction, strong leadership and transparent lines of accountability
- there is a citizen centred approach, striking an appropriate balance between openness and confidentiality in the management and use of information and technology

- the handling and use of information and information systems across the organisation is consistent, and based upon agreed standards
- there is effective communication, engagement and the workforce is appropriately trained, supported and responsive to requirements in relation to the effective handling and use of information (including IT systems), consistent with the interests of patients and the public
- there is effective collaboration with partner organisations and other stakeholders in relation to the sharing of information in a controlled manner, to provide the best possible outcomes for its citizens (in accordance with the Wales Accord for the Sharing of Personal Information (WASPI) and Caldicott requirements)
- the integrity of information is protected, ensuring valid, accurate, complete and timely information is available to support decision making across the organisation
- the Health Board is meeting its responsibilities with regard to the General Data Protection Regulation, the Freedom of Information Act, Caldicott Information Security, Records Management, Information Sharing, national Information Governance policies and the Information Commissioner’s Office guidance
- the Health Board is safeguarding its information, technology and networks through monitoring compliance with the Security of Network and Information Systems regulations and relevant standards
- all reasonable steps are taken to prevent, detect and rectify irregularities or deficiencies in the safety, security and use of information, and in particular that:
 - Sources of internal assurance are reliable, and have the capacity and capability to deliver
 - Recommendations made by internal and external reviewers are considered and acted upon on a timely basis
 - Lessons are learned from breaches in the safe, secure and effective use of information, as identified for example through reported incidents, complaints and claims, and
 - Training needs are assessed and met.
- receive assurance on the delivery of the Strategies operational plans including performance against the annual Informatics Capital Programme

- seek assurance on the effectiveness and impact of the Health Board’s Digital Transformation Plans
- seek assurance on the performance and delivery of the rollout of the core national IT systems which could have significant impact on the Health Board’s operational services and escalate to the Board as appropriate.

The Committee will receive assurance on compliance with key performance indicators in relation to the quality and effectiveness of information and information systems against which the Health Board’s performance will be regularly assessed.

- The Committee will maintain oversight of the effectiveness of the relationships and governance arrangements with partner organisations in relation to activity that falls within the remit of this Committee. This will include NHS Wales Informatics Service (NWIS).
