Annual Report 2020-2021

POPULATION HEALTH & PARTNERSHIPS COMMITTEE DRAFT ANNUAL REPORT 2020-21

1. FOREWORD

As Chair of the Population Health & Partnerships Committee, I am pleased to commend this annual report, which has been prepared for the attention of the Board and reviews the work of the Committee for the financial year ending 2020-2021.

2020-2021 has been very challenging during the ongoing Covid-19 pandemic with the Committee having several meetings cancelled during this period and having to move to different ways of working virtually via Microsoft Teams and moving to consent agendas.

Independent Members continue to offer the benefit of their considerable knowledge and wide-ranging experience to aid the important role played by this Committee and I would like to take this opportunity to express my thanks and gratitude to Maria Thomas, Vice Chair and former Chair of this Committee who has recently retired, for her outstanding contribution and commitment to the work of the Committee over many years.

In 2020 the Committee revised its name and membership to become the Population Health & Partnerships Committee and to focus on the role played by the Committee in terms of population health across primary, community and secondary care and an increased importance of working in partnership, which has been reflected in the revised terms of reference.

I would like to welcome our new members on the Committee as of April 2021 – Gareth Robinson, Chief Operating Officer (interim), Sharon Richards, Associate Board Member and Chair of the Healthcare Professional Forum, Chris Davies, Chair of the Regional Partnership Board and Rowena Myles, Chair of the Cwm Taf Morgannwg Community Health Council.

Philip White
Chair, Population Health & Partnerships Committee

2. INTRODUCTION

The Committee was constituted in 2014, initially to support the development of a Strategy for Primary Care. The key function of the Committee which meets quarterly has been to act as the main driver for the oversight and scrutiny of all issues relating to Population Health across primary, community and secondary care. The Committee also has a role in receiving reports on the Transformation Fund.

The papers for the meeting are routinely published on the organisation's [Website](#).

Following each meeting of the Committee, a Board Highlight report is prepared setting out the key matters considered, issues for assurance as well as any risks or topics that need to be escalated for Board consideration.

2020-2021 has seen much work in considering the role of the Committee in terms of population health across primary, community and secondary care and the increased importance of robust partnership working arrangements. The change in focus has been reflected in the revised terms of reference that were approved by the Board on 25 March 2021.

The Committee is also responsible for developing an annual report for presentation to the Health Board.

3. MEMBERSHIP

The membership of the Committee comprises both Independent and an Executive Director Members, enabling the Committee to provide appropriate scrutiny and assurance to the Board independently of the management decision-making processes.

Independent membership during 2020-21 was as follows:

- Philip White, (Chair of the Committee)
- Keiron Montague (Vice Chair of the Committee)
- Maria Thomas, Independent Member
- Ian Wells, Independent Member

During 2020/21 the Executive Director Committee Member was Alan Lawrie, Executive Director of Operations (until December 2020). Alan Lawrie delegated his representation to Julie Denley, Director of Primary, Community and Mental Health.

4. MEETINGS

Due to the Coronavirus Pandemic of 2020/21 a number meetings of Board Committees were paused, initially in the Spring of 2020 and then again just before the end of the financial year. The Committee therefore met on one occasion during 2020/21 – 23 November 2020, and as a consequence its forward work programme was reviewed to ensure that issues were appropriately prioritised.

The meetings scheduled for 2020/21 that were cancelled were as follows:

- 9 June 2020
- 2 September 2020
- 7 October 2020
- 25 January 2021
