Minute Ref.	Date	Agreed Action	Lead	Timescale	Status as at November 2021
QSC/19/181	December 2019	Directorate Exception Report – Children & Young People Concerns expressed at the nurse staffing levels and shortage of Paediatric Doctors identified within the report. Update to be provided at the January 2020 meeting regarding the proposal being developed to address the position	Medical Director	May 2020 Now July 2020 Now October 2020 Due to the redeployment of resources in response to Covid, we are unable to provide the Committee with a revised proposed date for completion at the present time.	Completed Since Dec 2019 there has been a concerted effort to recruit doctors into Paediatrics. This recruitment drive has taken place in the UK and overseas via a project to bring additional Doctors to areas such as Paediatrics, that have identified need for significant increases in staff levels. This effort has proved successful, recruiting a total of 17.5 medical whole time equivalent staff into Paediatrics in the last year. We continue to recruit as directed and have more overseas doctors landing for Paeds.
