Become a Bevan Exemplar

The Bevan Commission's Exemplar Programme supports health and care professionals to take their great prudent healthcare ideas and translate them into practice. Our 12-month programme provides training and mentorship to inform thinking and develop skills so Exemplars can transform health and care services from within, having positive impacts on patient care, lived experiences, health outcomes and on service efficiency.

Apply by 14th July!

Use the link to learn more, join our introductory webinars, and apply.
