What is your postcode?	
What is the most important priority for you when thinking about the design of future mental health dementia services?	
What other issues do you think are important when thinking about the design of future mental health dementia services?	
What does a good mental health dementia service look like to you?	

Do you agree with the initial aims of the proposed future service?

Yes No

Please comment:

Do you have any feedback to inform the design of the specialist peripatetic mental health dementia service?

Yes No

Please comment:

What, in your opinion, would be the likely effects of this proposed service option on the Welsh language? *We are particularly interested in any likely effects on opportunities to use the Welsh language and on not treating the Welsh language less favourably than English.*

Do you think that there are opportunities to promote any positive effects on the Welsh language?

Yes No

Please comment:

Do you think that there are opportunities to mitigate any adverse effects on the Welsh language?

Yes No

Please comment.
