

Referral to the Integrated Autism Service (IAS) for assessment of autism

Please find below the documents you need to complete and send to the IAS:

- 1) A request for assessment of autism referral form
- 2) The Adult Autism Spectrum Quotient (AQ)
- 3) The Cambridge Behaviour Scale (EQ)
- 4) A Relatives Questionnaire (CAST)

The request for assessment of autism referral form, Adult Autism Spectrum Quotient (AQ) and Cambridge Behaviour Scale are for you to complete.

The Relatives Questionnaire is for someone who knows you really well, such as a parent or grandparent to complete.

Please send the completed forms to the address on the back page of the request for assessment of autism referral form.

If you have any further queries regarding the above information or need help to complete the forms then please do not hesitate to contact the IAS on 01443 715044.
