

## Other Words

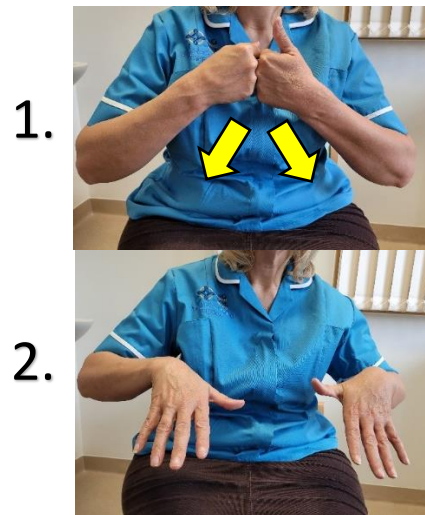

### Again

Make a fist with one hand (with index and middle fingers sticking out, slightly apart from each other) and move downwards once

### To Finish/To End

1. Put fists together in front of your chest
2. Move hands downwards and away from each other whilst bringing fingers outwards

### More

Make one hand flat, then cover top of other fist with palm facing downwards

**Please**

Place one hand flat on mouth and  
move downwards towards knees

**Sorry**

Make a small circle shape over heart  
with fist

**Thank you**

Place one hand flat on mouth and  
make a small movement away from  
mouth
