

Freedom of Information Request: Our Reference CTHB_403_16

You asked:

In the 12 months ending 31 October 2016, what was:

1. The number of patients who had a blood culture positive for *Klebsiella pneumoniae* (Group A)
2. In Group A, the number of patients who had a blood culture positive for *Klebsiella pneumoniae*, with the organism found to be resistant to meropenem, resistant to ertapenem, OR reported positive for a carbapenemase (Group "CRKPb").
3. In Group A, the number of patients who had a blood culture positive for *Klebsiella pneumoniae*, with the organism NEITHER found to be resistant to meropenem, NOR resistant to ertapenem, NOR reported positive for a carbapenemase (Group "CSKPb").
4. Within Group CRKPb, the percentage of patients who had died in the period between the specimen date of the first blood culture that became positive for *Klebsiella pneumoniae* found to be resistant to meropenem, resistant to ertapenem, OR reported positive for a carbapenemase, and 6 days after the specimen date.
5. Within Group CRKPb, the percentage of patients who had died in the period between the specimen date of the first blood culture that became positive for *Klebsiella pneumoniae* found to be resistant to meropenem, resistant to ertapenem, OR reported positive for a carbapenemase, and 30 days after the specimen date.
6. Within Group CSKPb, the percentage of patients who had died in the period between the specimen date of the first blood culture that became positive for *Klebsiella pneumoniae* NEITHER found to be resistant to meropenem, NOR resistant to ertapenem, NOR reported positive for a carbapenemase, and 6 days after the specimen date.
7. Within Group CSKPb, the percentage of patients who had died in the period between the specimen date of the first blood culture that became positive for *Klebsiella pneumoniae* NEITHER found to be resistant to meropenem, NOR resistant to ertapenem, NOR reported positive for a carbapenemase, and 30 days after the specimen date."

Please provide answers on the same questions for the 12 months period ending 31 October 2015.

Our response:

Unfortunately, the information you have requested is not held by the University Health Board. I can however confirm however that the information requested is held by Public Health Wales (PHW).

Under Section 16 of the Freedom of Information Act, the Health Board has the duty to provide help and assistance; therefore if you wish to contact PHW for this information, I have provided their contact details below:
