

Freedom of Information Request: Our Reference CTHB_57_16

You asked:

Can you tell me how many GP practises your health board currently manages?

The Health Board currently manages three GP practices:

- Brookside Surgery, Merthyr Tydfil
- Hillcrest Surgery, Mountain Ash
- New Tynewydd Surgery, Rhondda.

Of these how many are ones which have resigned their contracts and then the board has had to take over their management?

Two - New Tynewydd Surgery (Rhondda) and Hillcrest Surgery (Mountain Ash) transferred over to Cwm Taf University Health Board's management due to the GPs retiring.
