

## **Freedom of Information Request: Our Reference CTHB\_352\_16**

### **You asked:**

I would like to request the structure of the HR department for all hospitals under Cwm Taf University Health Board.

### **Our response:**

Please find attached a copy of the organisation chart for the Workforce Team at Cwm Taf UHB. For clarity I would draw your attention to the fact that this is an integrated team that covers HR & OD across the Health Board and is not broken down by hospital location etc. This is the structure consulted upon and introduced at the end of last year.
