

Freedom of Information Request: Our Reference CTHB_03_17

You asked:

- 1. Can you release the amount of money your health board has spent on pest control services in the last 5 years?**

I can confirm that the amount of money the health board has spent on pest control services in the last 5 years is £42k.

- 2. In your answer, can you also give details of the nature of the problem the pest control service sought to resolve in each case, and which hospital/department was affected.**

Please contextualise the data according to the following years: 2011-12, 2012-13, 2013-14, 2014-15, 2015-16 (and, if available, 2016-17).

Please see information attached.

Due to major organisational change we do not hold detailed records/information for the period Fy2011-2012
