

Freedom of Information Request: Our Reference CTHB_185_17

You asked:

We wish to identify which pharmacies and hospitals in your purview have prescribed our product (brand name Diacomit, generic name Stiripentol).

Therefore, for each of the following presentations, please could we request the following information (a) numbers of scripts (b) date purchased (c) dispenser/contractor location code (d) dispenser/contractor name and address.

Diacomit 250mg capsules

Diacomit 250mg sachets

Diacomit 500mg capsules

Diacomit 500mg sachets

Please can you provide this information by month for the most recent 12 months available?

Our response:

Secondary Care - in the past 12 months we have prescribed 1 x 60 Diacomit 250mg sachets on the 18th November 2016 - Pharmacy Department Royal Glamorgan Hospital, CF72 8XR.

Primary Care - Community pharmacies are unable to prescribe prescription only medicines and therefore do not prescribe Diacomit, generic name Stiripentol.
