

Freedom of Information Request: Our Reference CTHB_160_17

You asked:

I'd like to know how many of Cwm Taf health board's cancer patients have been allocated a "key worker" to co-ordinate their care and how many do not have one.

If you are not able to provide figures for the current situation, please can you tell me the figures for the year 2016/17.

In May 2010 the Welsh Government said health boards should ensure key workers were in place by the end of March 2011
