You asked:

In the past five years how many alcohol-related admissions to A&E have been recorded?

Our response:

Please note that patients are not admitted to the Accident and Emergency Departments (A&E) in Cwm Taf, they are classed as 'attendances'.

Please see provided in the table below, the number of alcohol-related attendances to A&E over the past five years:

	Alcohol-related attendances to A&E					
	2012	2013	2014	2015	2016	Total
Total Attendances	4748	4054	3747	3627	3540	19,716
