

Freedom of Information Request: Our Reference CTHB_388_17

You asked:

- 1. Do the neonatal units/hospitals in your health board area receive donor breast milk and, if so, which breast milk bank provides it?**

No.

- 2. If a mother's breast milk and donor breast milk is not available, are premature babies given formula milk?**

Yes.

- 3. Are Blood Bikes used to deliver the donor milk in your health board area?**

N/A.

- 4. How much money has your health board spent on donor breast milk for mothers in your care in the last five financial years?**

No money has been spent on donor breast milk for mothers under our care, during the time period requested.
