

Freedom of Information Request: Our Reference CTHB_133_18

You asked:

Can I please have information on the number of 'Consultant Radiographer' posts advertised on NHS Jobs over the last 5 years (April 1 2013 - April 6 2018). I also want to know how many of the advertised 'Consultant Radiographer' posts during that period related to mammography and breast imaging specialities.

Our response:

Please refer to the attached report which displays the requested details for vacancies published from the launch of NHS Jobs 2 (04/03/2014) up to and including 06/04/2018 where the job title contains 'consultant' and 'radiograph' (so it will pick up radiographer, radiography etc). The report also includes the Specialty and Area of Work fields so you can determine the number of vacancies by specialty where this information is available.
