

Freedom of Information Request: Our Reference CTHB_438_18

You asked:

We are seeking data on the deaths of children and young people in receipt of in-patient mental health services (both voluntary in-patients and detained).

For each year (2017, 2016, 2015, 2014, 2013), please provide statistical information relating to children and young people **(aged 24 and under)** who have died receiving in-patient psychiatric care at the time of their death in any hospital, unit or private setting under the management or control of Cwm Taf Health Board. Please provide data on;

1. The number of children who have died whilst receiving in-patient psychiatric care at the time of their death.
2. A breakdown of age, gender and ethnicity.
3. A breakdown of the cause of death where known.
4. For each year, please provide the patient status, i.e. whether the child was detained or non-detained at the time of their death
5. The location of the death i.e. the hospital, NHS Trust, unit name or private provider.

Our response:

I can confirm that during the time period requested, no children or young people (aged 24 and under) have died whilst receiving in-patient psychiatric care, under the management, or control of Cwm Taf University Health Board.
