

## **Freedom of Information Request: Our Reference CTHB\_398\_18**

### **You asked:**

I need data on the number of substantive and locum neurosurgery and spinal surgery jobs in UK and Ireland dating back up to 20 years or as far back as you have - in this sort of format:

2015 Neurosurgery locum =  
2015 Neurosurgery substantive =  
2015 Spinal locum =  
2015 Spinal substantive =

2016 Neurosurgery locum =  
2016 Neurosurgery substantive =  
2016 Spinal locum =  
2016 Spinal substantive =

etc

### **Our response:**

The attached report contains details of vacancies published between 4 March 2014 and 12 September 2018. To try and capture all relevant vacancies (due to the wide ranging way these are input on the system by employers!) the report has been produced for vacancies where the job title contains 'consultant' and one of the following applies:

The job title contains 'neurosurge' (to pick up neurosurgeon and neurosurgery) or 'spin' (to pick up spine and spinal)

OR The specialty contains 'neurosurge' or 'spin' OR  
The department contains 'neurosurge' or 'spin'.

The report includes the following fields to assist with working out which vacancies best fit into each of their categories:

Job title  
Specialty  
Area of Work  
Department  
Job type (so it can be filtered by Permanent, Locum etc)  
Published year (to help them group by year more easily)  
Published date  
Expiry date  
WTE
