

Freedom of Information Request: Our Reference CTHB_419_19

You asked:

In relation to response CTHB_381_19:

- 1. The response states the total number of connections but I require the individual number of connections for a) data b) voice c) data and Voice**

Please see provided below the approximate number of connections for the Vodafone network.

- Data only = 0
- Voice only = approx. 1200
- Voice and data = approx. 150

In relation to EE, we have 60 + connections but are unable to provide a breakdown.

- 2. The response states both contracts are under review, please can you provide me with a date for when the contracts will be signed with Vodafone, Also will the Organisation still have a contract with EE?**

As previously stated, we are out of contract for both providers but are currently only reviewing and renewing our contract with Vodafone. We are unable to confirm when the contract will be signed as this has yet to be agreed.
