

Freedom of Information Request: Our Reference CTHB_40_19

You asked:

We would like to know the number of pest sightings and pest control call outs in all hospitals under this health board.

Please provide this data broken down by year, over the past 5 years:

The number of pest sightings:

- by date of sighting
- type of pest
- estimated number of pests per incident
- hospital name
- type of ward where pest was sighted

The number of pest control call outs:

- by date
- total cost per call out
- name of pest service used

Our response:

Unfortunately we are unable to provide the information in the detail required. However, we have provided the total cost for the years that we hold, in the way that we hold it and have attached the call out break down.

2014-2016	£32,118.81
2017	£21,288.40
2018	£40,581.32
