

Freedom of Information Request: Our Reference CTHB_55_19

You asked:

Where can I find an interactive map showing GP catchment areas for Cwm Taf?

Who can send the Geographic Information System polygon data?

Below you can see the links to a website "primarycare.nhs.uk", which publishes Geographic Information System polygons of NHS GP catchment areas.

Our response:

The website link provided is for England only and does not cover Wales. Unfortunately, we do not have any interactive maps of the GP catchment areas for Cwm Taf.

In order to fulfil our obligation under Section 16 to aid and assist, please find attached the coverage spreadsheet which we use. We also refer to ordnance survey maps.
