

Freedom of Information Request: Our Reference CTHB_207_19

You asked:

I'm currently conducting research into which clinical system each of the Health Boards in Wales chose after the announcement of two different suppliers.

Could you let me know which system providers were chosen by each health board please?

Our response:

The Practices in Cwm Taf Morgannwg University Health Board area chose either the Vision System or Microtest System:

Out of 54 Practices

6 practices will use Microtest.

48 practices will use Vision.
