

Freedom of Information Request: Our Reference CTHB_18_20

You asked:

- 1. How many allergy-related hospital admissions did you see in 2019?**
 - a. If possible, please provide a breakdown of how many of these cases related to under 19s.**

We are unable to provide all allergy related hospital admissions due to the various codes used unless, we can identify what the allergy was caused by. However, please see provided in the table below the total number of:

- Allergy Not Specified - ICD10:T78.4
- Allergy Food - ICD10:T78.1 (with anaphylactic shock) - ICD10:T78.0

Allergy Inpatient Episodes (Including Allergies to Food): 2019		
Admissions	Total	Under 19s
All allergies (inc food)	45	35
Food Allergies	20	18

Please note, where data is reliant on clinical coding, this traditionally has a completion timeline of three months in arrears – therefore the data will be incomplete.

- 2. If possible, please provide a breakdown of how many of these cases were related to food.**
 - a. If possible, please provide a breakdown of how many of these cases related to under 19s.**

Please see table above.
