

Freedom of Information Request: Our Reference CTMUHB_322_20

You asked:

My question is regarding payments made to GP surgery staff for administering the winter flu jab. What are the payments made and who actually funds these payments?

Our response:

With regard to payments, the influenza vaccination programme does not form part of the General Medical Services (GMS) contract therefore a payment is payable under an Enhanced Service as follows:

Ref: The Primary Medical Services (Directed Enhanced Services)(Wales) (Amendment) Directions 2020 Made 17 September 2020 Coming into force 18 September 2020.

- *payment of £10.03 per vaccine administered*

Payment for this, and all other Enhanced Services, are paid from within the allocated total GMS budget.
