

Freedom of Information Request: Our Reference CTMUHB_280_20

You asked:

In the last four months, how many patients were treated by the dermatology department with the following treatments:

High Potency topical steroids	– N/A
Azathioprine	– N/A
Ciclosporin	– N/A
Methotrexate	– N/A
Mycophenolate mofetil	– N/A
Acitretin	– N/A
Alitretinoin	– N/A
Dupilumab	- 19
Upadacitinib	- 0
Tacrolimus	– N/A
Pimecrolimus	– N/A
Ultraviolet light therapy	- 31

The Information provided above is from June-September taken from our Medicine Management system (except the ultraviolet light therapy). We are unable to provide patient numbers on the other treatments, as these are prescribed on WP10HP prescriptions. This data is not centrally recorded

The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl through all the Dermatology patients treated within this timeframe and would significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.
