

Freedom of Information Request: Our Reference CTMUHB_172_21

You asked:

Pen-Y-Bont Health Limited, The Medical Centre, Heol-Yr-Onnen, Pencoed, CF35 5PF

| Company No: 09698681

Under the Freedom of Information Act (2000) I ask:

What does CTMUHB consider the purpose of this company is, beyond merely SIC code 86210 - General medical practice activities? I note not all the five cluster practices are represented by the Directors, and <https://www.pencoedmedical.com/> doesn't disclose the company at all.

Our response:

We can confirm that Cwm Taf Morgannwg University Health Board does not hold the information requested. The Health Board purely commission NHS General Medical Services (GMS) from practices as directed and regulated by Welsh Government.

GPs are individual independent contractors. For a response to your query you would need to contact those involved in the Ltd Company directly.
