

Freedom of Information Request: Our Reference CTMUHB_334_21

You asked:

I would like to know how many bladder repair operations, in particular an autologous sling procedure, have been carried out routinely/elective (not emergency) since March 2020 within your Health Board?

Our response:

Between 01.03.20 – 31.07.21 there have been 9 episodes in Cwm Taf Morgannwg University Health Board that meet the criteria requested.

Please note where data is reliant on clinical coding, this traditionally has a completion timeline of three months in arrears – therefore the data will be incomplete.
