

Freedom of Information Request: Our Reference CTMUHB_525_21

You asked:

I am writing to you under the Freedom of Information Act 2000 to request the following information:

Our response:

1. How many adults have been referred for an ADHD assessment between 2019 and present date?

Under section 21 of the Act, Cwm Taf Morgannwg University Health Board is not required to provide information in response to a request if it is already reasonably accessible to you. We have answered previous requests in relation to the information you require, and these responses are published via our [Disclosure Log](#) on the [Cwm Taf University Health Board](#) web site.

For ease of access I have attached a link directly to the information below:

- [CTMUHB 401 21](#)

2. What is the current waiting time from referral to assessment?

The longest wait time is 15 months.

3. What is the breakdown between males and females of above referrals?

Please see response to question 1.

4. How many adults have received an ADHD diagnosis via your services?

We can confirm that the Health Board does not centrally record this information. The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl and significantly exceed the 18 hours' time and £450 cost limit set out within Section 12 of the Freedom of Information Act.

5. If no provision is available, how many adults have been titrated with ADHD medication via your psychiatrists following a private diagnosis?

N/A.

6. How many adults have received share care agreements for medication for ADHD following a private diagnosis?

N/A.

7. When do you anticipate the adult ADHD service being available in your health board if one is not currently present?

N/A.
