

Freedom of Information Request: Our Reference CTMUHB_538_21

You asked:

I would like to make an FOI request for copies of the job plans of all the consultant ophthalmologists working at CTM (excluding the PoW site). I am specifically looking for a copy of the detailed job planning that is done on the Allocate software system and not just the consultant timetable.

If it is available, I would like to see the last 2 available job plans for each consultant.

Our response:

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice under Section 17 of the Act. The Health Board can confirm that it does hold the information, however is withholding for the following reasons:

We are unable to provide you with the job plans for specific individual consultants as they contain personal details and personal outcomes.

The information captured in the job plans would include personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000 and Section 41, Information provided in Confidence. This exemption is absolute and therefore there is no requirement to apply the public interest test.
