

Freedom of Information Request: Our Reference CTMUHB_124_21

You asked:

Please can you provide the organisational charts, names and contact information of the people who work across the ICS/STP that you are part of.

Our response:

Integrated Care Systems (ICS) and Sustainability and Transformation Partnerships (STP) are features of the NHS in England. Cwm Taf Morgannwg University Health Board (CTM UHB) is part of NHS Wales and is an integrated Local Health Board. We are responsible for the planning and provision of primary, community and in hospital services based on the needs of the local community across three 3 local authority areas (Merthyr Tydfil, Rhondda Cynon Taff and Bridgend). Therefore, the Health Board does not hold the information requested.
