

Freedom of Information Request: Our Reference CTMUHB_125_21

You asked:

Please can you provide any business cases for international, permanent, and fixed-term recruitment across ALL staff groups (Medical & Dental, Nurses, AHP & HSS etc) over the last 36 months?

Our response:

I can confirm that the Health Board does not centrally record this information.

As this is not information that the Health Board routinely compiles, we would have to carry out a specific exercise to identify and collate this data. To provide you with this information, would require a manual trawl of all business cases over the last 36 months and to identify any information that fulfils your request would significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.
