

Freedom of Information Request: Our Reference CTMUHB_193_21

You asked:

Please could you assist me by answering the following questions that fall under the Freedom of Information act:

1. The name of the supplier of your eobservation system?

'The system, which is called 'E-Obs', is a digital solution to record the vital signs of a patient. A mobile device is used by the nursing staff to collect and store patient observations, creating a score that can assist in making clinical judgments when treating a patient.'

We do not currently have an E-Obs system.

2. The name of the supplier of your onsite hospital pager system (to help manage patient flow)?

'onsite hospital pager systems allow the hospital to carefully manage patient flow throughout the patients visit.'

We do not use the pager system for patient flow.

3. Does your Health Board currently use remote monitoring?

'Often abbreviated as RPM (and sometimes known as remote patient management), remote patient monitoring is a method of healthcare delivery that uses the latest advances in information technology to gather patient data outside of traditional healthcare settings.'

No.

4. The name of the supplier of your Remote monitoring system?

N/A.
