

Freedom of Information Request: Our Reference CTMUHB_198_21

You asked:

Please I make the following request for information from you under the FoI Act, regarding data held by you?

- a. For the most recent 12 month period available, the number of venesection procedures carried out by your organisation as a therapy or treatment for genetic haemochromatosis?**

Nil.

- b. For the most recent 12 month period available, the average total cost of a venesection appointment (to include clinical consumables, nursing or phlebotomy staff time, administrative overheads etc)**

The Health Board does not capture the specific detail requested for a venesection appointment. However, to aid and assist with your request we are able to provide a fully absorbed specialty cost. Please see costings provided below:

The cost based on 19/20 returns for Haematology are as follows:-

Haematology outpatient first attendance £440.01

Haematology outpatient follow up £438.51

Haematology outpatient procedure £595.71
