

Freedom of Information Request: Our Reference CTMUHB_210_21

You asked:

Please provide the total number of people in your Health Board that have been diagnosed with MND between 1st of April 2016-and 1st of April 2021.

Our response:

We only record a definitive diagnosis for inpatient/daycase episodes via the clinical coding process. Therefore, we are unable to confirm the number of patients diagnosed with any disease.
