

Freedom of Information Request: Our Reference CTMUHB_462_21

You asked:

Could I put a Freedom of Information Request to find out how many patients over 80 are admitted to hospital with a fracture and go on to die in hospital.

Could I have the information from 1st Jan 2015 until now please.

Our response:

We can confirm that during the time period requested, 30 patients over 80 were admitted to hospital with a fracture and went on to die in hospital.

Please note: these patients have fracture coded in any position and could have died from other causes.
