2. How many of these are stocked with unhealthy foods?

Details of those unhealthy foods.

For clarity, unhealthy foods constitute sugary drinks, chocolate, sweets, and crisps.

All vending is generally around 85% compliant with healthy foods with the following exceptions listed below:

- Baked crisps,
- Diet fizzy drinks (no added sugar) apart from lucozade, which is a requirement from maternity units.
- Kit Kat, Mars bars – non-compliant as healthy foods.
