

Freedom of Information Request: Our Reference CTMUHB_388_21

You asked:

Q1. Would you kindly provide me with the information – What procedure is used by the group to procure with regards to IT Security? (e.g via Tender, direct request sent to suppliers, etc.)

This is normally through a formal quotation or tendering process, dependent on value. This can be through a Multiquote process or through an existing framework, such as CCS or G-cloud.

Q2. Would you kindly provide me with the information – How can I register to be included in any future Quote requests for projects in the IT Security area?

In the case of [frameworks](#), then that will depend on whether or not you are registered.

Q3. Would you kindly provide me with the information – What projects in regards to the IT Security are scheduled for the next 12 months if available

No specific projects scheduled for the next 12 months.

Q4. Would you kindly provide me with the information – Are there any current IT Security projects (Software/Hardware)?

As noted in Q3 – there are no new security projects scheduled.
