

Freedom of Information Request: Our Reference CTMUHB_142_22

You asked:

We are looking into:

- 1) Service Evaluation/review of treatment of patients attending A&E with facial injuries from Bike Park Wales
- 2) QI project on the management of dental trauma in A&E

If possible, please could we obtain A&E attendance data for:

- 1) Jan 2019 - Feb 2022 under codes E3334 and E6002 (i.e. maxillofacial patients with dental injury).**

There were 137 A&E attendances for the time period and codes requested above.

- 2) Jan 2019 - Feb 2022 under codes E3334 and E3333 (i.e. maxillofacial patients with Bike Park Wales code).**

There were 15 A&E attendances for the time period and codes requested above.

Please note A&E coding may not be precise.
