Thank you for your request for information received on the 25 July 2022, regarding waiting list – previous responses CTMUHB_154_22 and CTMUHB_181_22. Please find the response from Cwm Taf Morgannwg University Health Board set out below:

You asked:

There is one thing that I would like clarifying further.

Regarding Waiting Times there are 2 elements:

1. (CA) - those removed from waiting lists because they were admitted

= 21261

Please note – The figure provided is for those that have received treatment via admission as either a day case or inpatient – this number will contain patients that were already on an Inpatient or day list.

(CO) - those removed from waiting lists for other reasons. These can be broadly split into 2 categories a) & b):

a) those removed because they had been referred to treatment / consultation and were placed on a separate list;

= 8658

b) the remainder removed for other reasons as indicated in a list that was produced by BCUHB for all "cancelled other" (copy attached).

= 255222

Therefore, for removals from all waiting lists by all departments I would be grateful if you could supply the figures for (CO) separated into a) and b). Those for CA will remain as you have advised.

Please note that due to the new questions posed being slightly different to your previous requests, the data now provided may differ.

The information provided above is for the date period 01/05/2022 to 30/04/2021.
