

Freedom of Information Request: Our Reference CTMUHB_136_22

You asked:

We make a request under the terms of the Freedom of Information Act 2000 regarding the **East Glamorgan Hospital** and would be grateful if you could provide us with copies of the following:

1. Copies of any asbestos surveys identifying or detailing asbestos at the Hospital;
2. Copies of any and all asbestos registers for the Hospital;
3. Photographs/plans/drawings of the Hospital, in particular any plans depicting those areas in which asbestos is located;
4. Copies of any notes/minutes/memoranda of NHS trust meetings in which asbestos within the Hospital is discussed;
5. Any correspondence between the NHS trust/ Hospital and any contractors (in particular asbestos removal contractors) undertaking work at the Hospital;
6. Details of any incidents reporting the presence of asbestos of any members of staff having developed an asbestos related illness;
7. Any communication between the Hospital and staff regarding the presence of or risks associated with asbestos within the Hospital buildings;
8. Any correspondence between the Hospital and the NHS trust discussing the risks associated with asbestos within the Hospital;
9. Schedules of any construction work carried out at the Hospital between 1958 and 1970;
10. Copies of any repair and maintenance reports records involving asbestos at the Hospital;
11. Copies of any logs/records relating to asbestos materials at the Hospital;
12. Copies of any risk assessments relating to asbestos;
13. Copies of any warnings or notices used at the Hospital.

Our response:

East Glamorgan Hospital was part of the former Pontypridd and Rhondda NHS Trust.

We can confirm that patients were transferred from East Glamorgan Hospital to the Royal Glamorgan Hospital in November 1999. The East Glamorgan Hospital was subsequently sold to housebuilding companies and demolished soon after. Consequently, Cwm Taf Morgannwg University Health Board do not hold any records for this site
