

## **Freedom of Information Request: Our Reference CTMUHB\_436\_22**

### **You asked:**

- 1. How many under 18-year-olds are currently on a waiting list for an NHS dentist in your health board?**

No dates of birth are recorded on the waiting list so the Health Board is unable to provide this information.

- 2. By how much has the waiting list to see an NHS dentist grown or decreased in your health board between the financial year 2019/20 and 2021/22?**

The Health Board only started a waiting list in 2021/22, at the end of March'22 all 1065 patients on the list had been allocated to practices across the Health Board footprint.
