You asked:

- 1. Please can you provide the product names with start and finish dates of all your agreed primary care rebates and please distinguish which rebates are aligned to PrescQIPP and which are independent.**

Please can you provide this information at Health Board level

Under section 21 of the Act, Cwm Taf Morgannwg University Health Board is not required to provide information in response to a request if it is already reasonably accessible to you. We have answered a previous request in relation to the information you require, and this response is published via our [Disclosure Log](#) on the [Cwm Taf University Morgannwg Health Board](#) web site.

For ease of access I have attached a link directly to the information below:

- [CTMUHB 372 22](#)

We can confirm that the Health Board does not hold any information for rebate schemes that apply to PrescQIPP.

- 2. Please can you advise if any of your agreed rebates are conditional on achieving increased volumes/ market shares?**

Yes.

- 3. I would also like to request the process of how you review and evaluate the rebates presented to you.**

This is part of an all Wales process.

Primary Care rebate schemes are managed centrally by the All Wales Medicines Procurement Specialist Pharmacist, a Primary Care Service provided by NHS Wales Shared Services Partnership (NWSSP). We would therefore recommend that if you require further information, you redirect your request to the Freedom of Information Team in NWSSP, who may be able to help you further with your enquiry:- shared.services@wales.nhs.uk

- 4. Please can you also provide a copy of your Health Board primary care rebate policy.**

Please see response to question 3.
