

Freedom of Information Request: Our Reference CTMUHB_421_22

You asked:

I would be most grateful if you would provide me, under the Freedom of Information Act, details regarding the Trusts outsourced teleradiology reporting.

The details required are below.

Please confirm the below information for each contract you hold with a teleradiology/outsourced radiology reporting provider:	Provider 1
Name	Everlight
Contract start date	1 November 2019
Contract end date	31 October 2024
Option for extension/roll-over period	3 years with an option to extend for 2 years (Extension option utilised)
Procurement route/framework used	Direct award via the Health Trust Europe Framework Agreement
Exclusivity or volume commitment within contract	Non-committal contract, however there is an exclusivity clause, it offers exclusivity to the contracted provider for all radiology reporting services in Wales. The exclusivity clause applies to the contracted provider (Everlight)

Please provide the below information for each teleradiology provider above:	Provider 1
Number of CT/MRI examinations reported between 1 st July 2022 and 30 th September 2022 that require a 1-hour turnaround time or quicker (Emergency reporting)	6346
If Emergency reporting (up to 1-hour) is not outsourced, then please confirm the number of examinations reported locally between 1 st July 2022 and 30 th September 2022 that require a 1-hour turnaround time or quicker (Emergency reporting)	Unable to provide this data. There's nothing unique to them being an emergency request needing a one hour report in RadIS to identify.
Number of CT/MRI examinations reported between 1 st July 2022 and 30 th September 2022 that require a turnaround time of between 1 and 48 hours (Urgent reporting)	Everlight do not provide reporting between 1-48hrs and refer to urgent as emergency reporting within 1hr turnaround.
Number of CT examinations reported between 1 st July 2022 and 30 th September 2022 that require a 48-hour turnaround time or longer (Routine/general reporting)	768
Number of MRI examinations reported between 1 st July 2022 and 30 th September 2022 that require a 48-hour turnaround time or longer (Routine/general reporting)	204

Number of Plain Film (X-Ray) examinations reported between 1 st July 2022 and 30 th September 2022 that require a 48-hour turnaround time or longer (Routine/general reporting)	385
---	-----

Please provide the below information for each teleradiology provider above:	Provider 1
Total financial expenditure for CT/MRI examinations reported between 1 st July 2022 and 30 th September 2022 that require a 1-hour turnaround time or quicker (Emergency reporting)	We are unable to provide financial information differentiating between Emergency/Urgent/Routine reporting. Please see responses below.
