Where the figures are less than 5, this has been denoted by **. The exact figures have been withheld due to the low numbers involved.

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain. Also, responses under the Freedom of Information Act are made available to the public at large. The data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This

exemption is absolute and therefore there is no requirement to apply the public interest test.

Q2 If you are able to link patient treatment to a disease, could you please provide the number of patients treated in the last 3 months for Ulcerative Colitis ONLY with the following biologic drugs:

- **Adalimumab - Humira**
- **Adalimumab Biosimilar**
- **Filgotinib**
- **Golimumab**
- **Infliximab - Remicade**
- **Infliximab Biosimilar**
- **Ozanimod**
- **Tofacitinib**
- **Ustekinumab**
- **Vedolizumab**

We can confirm that the Health Board does not centrally record this information. The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl and significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.
