

Freedom of Information Request: Our Reference CTMUHB_407_22

You asked:

This is a freedom of information (FOI) request relating to non-academic job titles of paid employees at your institution.

Please provide the following information for the year 2021-2:

1. A comprehensive list of employee job titles which feature any of the following phrases: equality, diversity, inclusion, wellbeing, carbon, energy, net zero, climate, change maker, race, BAME, LGBTQ+, sustainability, art, awareness, involvement, culture, solidarity, intersectionality, or green.
2. The total number of employees with each job title.
3. A total cost for the listed roles, including salary and employer pension contributions. There is no need to provide individually identifiable data.

This request is not intended to capture academic roles, so please exclude them, for example 'Lecturer in Art History'.

Our response:

We can confirm that specific job titles are not held on our Electronic Staff Record (ESR) system. As this is not information that we hold centrally, we estimate that to provide you with this data would significantly exceed the 18 hours time, and £450 cost limit set out within Section 12 of the Freedom of Information Act. Therefore, we are unable to provide.
