

## Freedom of Information Request: Our Reference CTMUHB\_179\_23

### You asked:

Please provide the information in relation to the use of any Welsh Government funded Health resources for private health. Information required for past 3 years. For the purpose of this request resources should be split between:

- 1. The cost value for the use of any capital equipment**
- 2. The cost of consumables during any procedure**
- 3. The cost of any staff who are not employed privately but provide professional expertise in procedure eg X rays, MRI etc.**
- 4. On how many occasions have the resources been used for private medical procedures**

The Health Board does not capture this information. We are therefore unable to provide a response. Our systems do not allow us to split out the information required for each procedure undertaken for private patients. However, we can confirm that we recharge each private patient/insurance company fully absorbed costs, which include overheads.

### **5. Which consultants employed by your HB also work privately and use WG funded facilities to support their private work- ie PA, Secretary, Clinical support.**

The Health Board does not record this information.

### **6. What is the total income broken down for the past three financial years that Welsh Government funded Health Boards generated from the above private procedures.**

20/21 £	21/22 £	22/23 £
